

# The Unfinished Story . . .

## Discovering God's Plan for the Peoples of the World

The Unfinished Story (TUS) gives an exciting overview of the biblical, historical, strategic and cultural aspects of God's mission and our part in it.

This course will help in the formation of a truly missional worldview. Believers will want to reach out to people from other cultures and will see mission as the reason why we as God's people are here on earth.

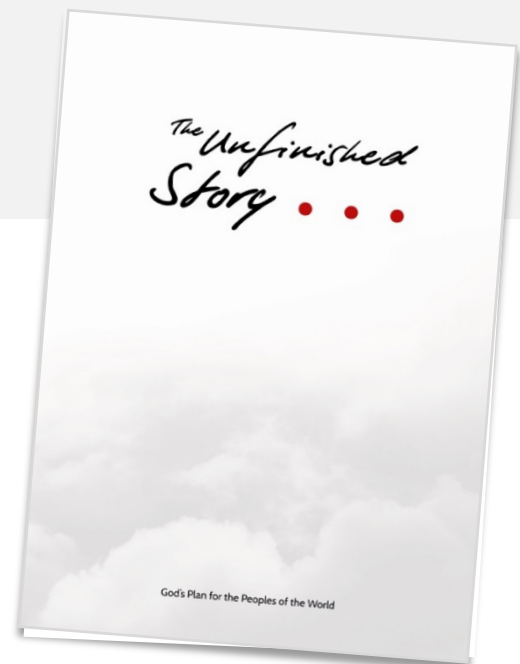

TUS uses a variety of learning methods and interactive activities, such as inspirational teaching videos, Prayer for the Unreached peoples and stimulating group discussions.

*"The Unfinished Story is a course, I think every believer should take. It takes us on a journey that confronts our comfort zones and our limited view of the world. It makes me notice the people and the peoples around me like never before".*
